

Join us for a Project WILD Aquatic and Project WET Workshop for Teachers and Non-Formal Educators

About this Workshop: Wetlands provide tremendous benefit to our environment, economy and well-being. They are also powerful places in which to learn. Join Project WILD and Project WET for this one-day workshop to learn skills and methods for teaching about water, wetlands, and wildlife. You will participate in fun, hands-on activities from the Project WILD Aquatic Curriculum and Activity Guide and the Project WET Curriculum and Activity Guide. You will walk away prepared to present activities to students and the public. **Come prepared for both indoor and outdoor settings.**

Materials: Participants will receive a Project WILD Aquatic and a Project WET Curriculum and Activity Guide
